**What to do?**

1. Read through the Think It, Design It, Build It steps.

2. Write your application idea on the back of this form or any paper - being as creative as you can.

3. Have fun!

4. Ask an adult to post a picture of your app idea on Twitter with #Happathon and tag @makeith_app_en.

5. A winner will be chosen by our team every week!

6. Our experts will work with them remotely to build it onto the AppStores.

7. Everyone can follow the Build It steps to build your own idea.

**Think it**

Think of a problem you’d like to solve with an app - like flying a unicorn into space or organising your homework. Tell us: Who would use it? Why would they use it? What would it do? Remember it’s your app and it can do whatever you want!

**Design it**

What’s your app called? How would you describe it? Be creative and draw what your app would look like to its users. Tell us how it would work. Anything is possible!

All our previous winners are on our website to help inspire you.

**Build it**

The Winner will be assisted by expert designers and engineers to build their app. We’ll help finalise the designs, code it and ship it.

Anyone can use Thunkable to build their own App ideas - its free, simple to use and has lots of tutorials to get you started.
